*Subject to FDA & medical parameters

** The top two plans require more on-site visits to Buckley Vision Institute than the Standard Vision Plan. In addition to the standard visits to the co-managing doctor, and the trip to Buckley Vision Institute on surgery day, the patient must also schedule a pre-surgery WaveScan™ testing visit at least one day prior to their surgery day, as well as a final 18 month follow-up visit at Buckley Vision Institute for the Money-Back Guarantee and Limited Lifetime Commitment to be valid.

Standard Vision Plan

Patient Accessory Kit	Included on surgery day
Enhancements	Included for 12 Months at no charge
Follow-up Visits	1 Year with your co-managing Dr.

\$1699⁰⁰ PER EYE

PMNTS FROM \$35/EYE/MO

With Approved Credit
